EMPLOYMENT OPPORTUNITIES

Network Administrator

Internal Applicants Only

Your Career, Your Community

As a Network Administrator in the City of Salisbury, you can make a difference! The City is seeking motivated candidates who will perform troubleshooting and correct problems. Responsibilities include but are not limited to administering routers, firewalls, and switches, including design, planning, implementation, configuration, and maintenance; administering Microsoft, Unix, and Linux servers; administering overall network and server security; maintaining and monitoring system and device logs; installing, activating, and testing equipment required for successful implementation; and assisting technical service representatives with trouble tickets. Join our team for a rewarding career that includes many benefits such as: 401K, Wellness Clinic, Insurance and more.

Minimum Requirements:

- Bachelor's degree with coursework in telecommunications, or related field and considerable experience or equivalent combination of education and experience
- Must have a valid NC Driver's License and a good driving record
- Experience in service provider networks and utilizing IPTV and or GPON technologies is highly preferred
- Requires general knowledge of networking and routing protocols and network infrastructure design; skill in the installation, repair, and maintenance of information technology systems.
- Ability to maintain required records; ability to communicate ideas effectively, both orally and in writing; ability to identify and correct problems as they arise; ability to establish and maintain effective working relationships with city officials, department personnel, customers, and consultants
- Must be readily available to assist with 24/7 emergency on site calls

Closing Date: September 9, 2016
Salary range: \$50,564.19 - \$65,733.45
