EMPLOYMENT OPPORTUNITIES

Traffic Signal Technician

Your Career, Your Community

As a Traffic Signal Technician in the City of Salisbury, you can make a difference! The City is seeking motivated candidates who will perform technical work repairing and maintaining traffic signals and traffic control devices. Main duties include but are not limited to installing, repairing, maintaining and troubleshooting for controllers, switches, relays, flashers, loops, cameras, cables and related traffic control equipment; setting up and testing controllers and cabinets; maintaining inventory and stocking bucket truck; and receiving work orders on traffic signal failures and related problems. Join our team for a rewarding career that includes many benefits such as: 401K, Wellness Clinic, Insurance and more.

Minimum Requirements:

- High school diploma or GED with coursework in electronics technology and moderate experience in the electronics field, or equivalent combination of education and experience
- Must have a valid NC Driver's License
- IMSA Traffic Signal Technician level 1 preferred, or the ability to obtain within one year of employment
- Involves heavy manual labor, at times under extreme weather conditions
- May be required to work outside of normal hours in emergency or on-call situations

Closing Date: January 22, 2016
Pay range: \$14.92 - \$19.40/ hour
