City partnering with Communities in Schools for School Tools Campaign

**Salisbury, North Carolina, July 31** – The City of Salisbury will partner with Communities in Schools of Rowan County to collect items for its annual School Tools Campaign. School Tools is an annual project of Communities in Schools held during the month of August to bring good people together to make essential school supplies available to children who would otherwise go without.

Needed items include bookbags/backpacks, notebook paper, pencils, crayons, colored pencils, three-ring binders and rulers. The School Tools Campaign starts August 3 and supplies can be dropped-off at one of the following City sites:

- City Hall – 217 S. Main Street
- Customer Service Center – 1415 S. Martin Luther King, Jr. Avenue
- City Office Building – 132 N. Main Street
- Fire Station 1 – 514 E. Innes Street
- Police Department – 130 E. Liberty Street
- Civic Center – 315 Martin Luther King, Jr. Drive
- Hall Gym – 1400B W. Bank Street
- City Park – 316 Lake Drive

Last year Communities in Schools packed more than 500 bookbags with supplies for students in need. The City will collect the donated supplies through August 19, and then all donations will be given to Communities in Schools for distribution as the new school year gets underway. Please support the children in our community who are counting on our help to get them started for school this year.
